

**S.T.A.T. Specialized Training And Techniques**

Presents: **SMOKIN' HOT**

Smokin' Hot presents:

**DHS 83 CBRF Fire Safety Train-the-Trainer**

The objective of this program is to train proper fire evacuation techniques, proper use of fire extinguishers, how early warning systems work, Emergency and Disaster Plan Principles and DHS 83 state regulations in conjunction with NFPA standards of practice for fire safety.

This CBRF Fire Safety Train-the-Trainer program is a 1-1/2 day course designed to train practical platform skills and provide instructional tools and techniques for the in-house trainer who will be able to train new employees in fire safety or enhance current employees fire evacuation skill levels.

**COST:**

Program Cost: \$875 /person (Payment by check must be received in advance to be registered for program)

**BENEFITS:**

- 1) Your trainer can set their own schedule for training. No more waiting for the next available slot.
- 2) Your trainer controls the content - so long as it addresses all necessary DHS 83 requirements.
- 3) Cost savings to the bottom line.
- 4) Consistent quality of training.

Included in the cost is:

- DHS 83 Approved course curriculum
- Lunch, refreshments and snacks
- CCDET \$15 registry fee
- 10 hour course and materials
